

Hospitals rely on HOCl for cleaning  
Now the dental practice can, too.

## BN-200

The Natural Way to Disinfect

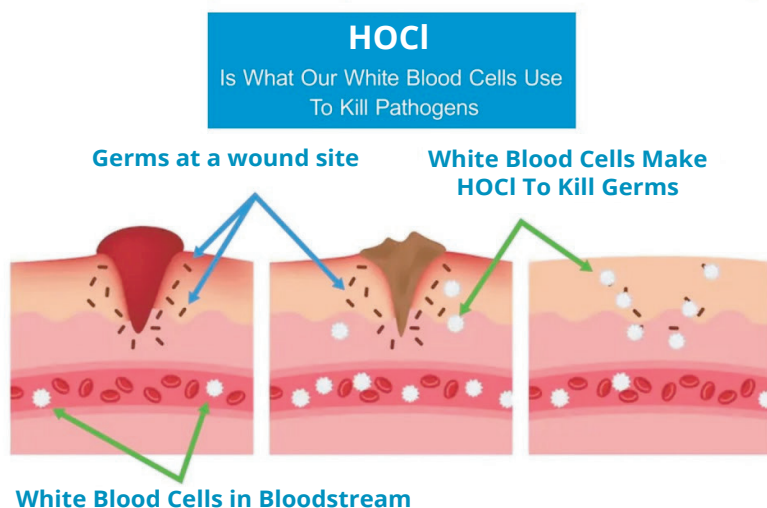

Hospital grade,  
non-toxic,  
HOCl disinfecting  
cleaner.

**Sterngold** brings the disinfecting power of HOCl (Hypochlorous Acid), to the dental practice, with the distribution of **BN-200**. HOCl is a substance found naturally in our human bodies, known to fight off bacteria and infection.

**BN-200** is an HOCl disinfectant that is up to 300X more effective than bleach, yet non-toxic. HOCl is more stable than bleach, has neutral pH, and is biodegradable.
